Five Fraternities Announce New Pledges As Fall Rushing Ends

Fraternity rushing was climax latest week with the announcement yesterday of a concentration of two weeks' work, filled with hard work, socially, and in the business of gaining Key men for the fraternity houses, causing plenty of excitement and entertain-ment for prospective Greek members.

This year, under new organization, with rules set by the Inter-fraternity council, the activity has been regulated with each fraternity having its own time, the first being Delta Kappa Phi and Alpha Chi on Tuesday, Sigma Delta Epsilon on Wednesday, Sigma Chi and Delta Pi on Thursday. 

Leaflet announcing the activities for the week was turned out by Foss Wermers, present president of the Inter-fraternity council and editor of our own "Knights of the Round Table." 

Members of the Sigma Chi and Delta Pi fraternities were again the last in the series of rush activities. On this occasion, a tea was arranged at the home of Mr. and Mrs. Ray Miller. 

In summary for the past week, we may again say that in each individual fraternity, some new pledges were lost, while others were added. In the case of Sigma Chi, the new pledges were Miss Alice Goody and Miss Mary Jones. 

Tuesday night's meeting of the Inter-fraternity council was held at the Sigma Chi fraternity. In attendance were new pledges Edward E. Goodwin, A. M. in Texas; Raymond P. Smith, in Oregon; and Frank L. Schmidt and Jack Stansbury, in California. 

The fraternity also wishes to announce the names of speakers for the coming week. Thursday night will feature a talk by Mr. Charles T. Batten, recording secretary of the fraternity. 

Business was transacted as usual, with the permission of new members, and the loss and additions of members, reported. 

Raymond R. Riley, Bob L. Smith, Jack W. Sneed and Jack B. Wright, all members of Sigma Chi and Delta Pi fraternities, were present.
TRAILING THE LUMBER JACKS
by BILL TUCKER

Watching with roller skates last Saturday was a large bleacher along with a throng of excited enthusiasts from Pullman, Wash., and this was the only way the Loggers could get to see their men of choice, who were being carried along on the shoulders of their fans.

The Loggers have been going through a trying experience and their success in this season is due entirely to the energy and enthusiasm of their fans.

Helen and Thorne, whose Coach Clancy claims he wouldn’t trade for any two backs on the coast, are back and in fine from and will be carrying on the same business as they did last year.

The Loggers will be looking for their first victory of the 1941 season.

The starting line-up for the Loggers will be as follows:

Most parents of these children are very much interested in the progress of the children. The parents are very much pleased with the results of the children’s progress. The parents are very much pleased with the results of the children’s progress.
