Governor Addresses Students at Dedication

Open House at Building Tonight at 7

Invitation for Tacoma to See Kittredge Hall is Extended to All, Hours From 7 to 10.

Students, faculty and trustees of the College of Puget Sound are extending their invitation to all, from 7 to 10. Friday evening at the formal reception in John M. Kittredge hall. The reception will climax the day’s ceremonies in the formal dedication of the new Student Union building of the campus. Over 100 invitations have been extended through the school and students, for the public to inspect the building.

For Puget Sound faculty is general chairman for the program, and Mrs. D. A. Schrader and Dr. Franklin L. Trevett are in charge of the reception. Miss Mildred Cooper, campus manager, has charge of the refreshments.

Guests informing in the general lounge will be President and Mrs. Edward W. Ford, Dr. and Mrs. John Regester and Dr. and Mrs. Paul Heiland. Parking space, registration and refreshments at the evening will be served for the evening, and guests will return to the campus by courtesy cars.

One of the purposes of the open house is to enable people to see how the students use the building. Not only will the open house be open for inspection but into the main buildings of the campus. Home Science and Home Economics buildings are open to the public on Tuesday and Thursday, physics department and Kenton hall are open to the public on Wednesday. And Kenton hall is open to the public from 3 to 5 p.m. Monday, Tuesday, and Thursday from 3 to 5 p.m. Monday, Tuesday, and Thursday.

Robert Ford, and the University and Library building is open to the public on Tuesday and Thursday from 3 to 5 p.m. Monday, Tuesday, and Thursday.

The College of Puget Sound and what it has been to the state of Washington will be the subject of the special issue of the June 14th number of the University of Washington yearbook.

The reception in Kittredge hall will be the opening event of the open house, followed by tours of the buildings. The open house will be held through the day, and the building will be open to the public until 10 p.m. on Friday.

The open house is open to the public, and all are invited to attend.

Sponsored by the Student Union, the open house is open to the public, and all are invited to attend.

Students Aid WSS Drive

The World Student Service Fund will be in full swing until the end of the year, and the students of the College have been asked to contribute to the fund.

The money will go to help the needy and poor students in the United States and elsewhere in the world.

The drive is being conducted in the student body, and the students are urged to contribute to the fund.

The drive is being conducted in the student body, and the students are urged to contribute to the fund.

California Girls Guests in Debate

University of California girls were guests of the CPS Feminian department last Thursday. Miss Comer and Bernadine Frank, two debaters, arrived in Thursday afternoon. They were escorted by the company and were guided by the director of the school for dinner that night.

Later, in the reception room, the two debated Hester Robinson and Dr. Todd, the president of the college.

The debate was on the proposition that "The government should control the production of goods." The proposition was lost.

Practice Teaching Course

Dr. Raymond L. Powell, president of the college, announced that all students planning to do their practice teaching were to register for the course. The course is open to all students planning to do their practice teaching.

The course is open to all students planning to do their practice teaching.

Dr. Todd's Office Has Shovels As Ground-Breaking Souvenir

Dr. Todd's office has a shovel as a ground-breaking souvenir.

The shovel was presented to Dr. Todd by the students of the college as a symbol of the new building.

The shovel was presented to Dr. Todd by the students of the college as a symbol of the new building.

Governor Langlie Addressed Student Body; E. E. Baine, B. E. Baker, Newcomb Take Part

Gov. Arthur B. Langlie and other dignitaries were present Wednesday morning to participate in dedication ceremonies which officially opened the new student union building, located at 500 16th St. NW.

The new building, which will be known as John M. Kittredge hall, will be occupied during the winter months.

The building is named in honor of John M. Kittredge, a former president of the college, who was also a prominent figure in the community.

Equipment of New CPS Commonsm Displays Best Available Materials

The students are exploring the modern facilities for frontier service at the new commonsm in the Student Union building as well as the lounge and bar facilities. The student body has been welcomed to the modern, well-appointed facilities of the Student Union building, which has been designed especially for the student body.

Thundering Feet Wear Brown Path Across CPS Lawns

The winds are whirling and the temperature is dropping, but the students are still determined to make their way to class. The Student Union building is well-equipped with modern facilities, including a gymnasium, a library, and a cafeteria. The students are determined to make the most of their college experience.

Dr. Todd Returns From Maryland Education Meet

Dr. Edward Todd, president of the college, returned after having just spent a month in Washington, D.C., where he attended two meetings of educators from all the nation. The first was held in Everson, III., an annual event under auspices of the Methodist church. The meeting was concerned with the preparation of young people. The meeting was addressed by speaker of national repute, for two of whom Dr. Todd has made arrangements to come to the college during the summer. Next Dr. Todd went to Baltimore, Maryland, where he attended a convention of a thousand or more and attended a session of the United States Senate.

Wurlitzer in Commons Causes Variety of Student Comment

In a survey of prominent people across school this week it was revealed that most everyone was the Wurlitzer to play continuously at least one of the many pianos in the Student Union building. Various questions were furthered as to the choice of pianos and numbers they liked best on the machine. Two answered as follows: "I think I made music in this way," by Dr. Marion Stickler "and I have a song I like.

Dorm Girls Boost WSSF

This book the girls at Anderson hall voted to go without dessert and the money then saved would be turned over to the fund. Miss Cooper has arranged a special lunch each day of which a portion of the money will be contributed to the WSSF. There is a box placed in the lower hall of the Student Union building where money may be given.

Schauer Visits New York City

Dr. Marvin Schauer, during the holidays, visited New York City where he read a paper before the American Sociological Society. While on the trip Dr. Schauer visited the Student Union building in New York City where he visited Charles Glassman of the CPS graduate school in the Bureau of Agricultural Economics. He also spent part of his time with John O'Neill, another former student who is now a professor of physics at Columbia University.

If you think you are bad off, you should be there, where they have to put up with the student union itself named the "Student Union" and Jerry Schultmann.

Defense Board Plans of Protection

College of Puget Sound was once more... and huddled at a recent meeting of the P.S.U. Board of Trustees. Members of the Defense Board were assigned to the Puget Sound campus to find out what they might not be able to afford. Defense Board members were on the lookout for ways to reduce expenses, to cut down on unnecessary expenses, and to keep the educational standards high.

The course having the largest enrollment at the College is English. It is represented by 13.3 per cent of the entire student body. The freshmen can boast of the highest enrollment in this course, followed by the sophomores and seniors, the juniors having the fewest members taking English.

Next to English, physical education for men has the greatest number of students registered in its classes. Thirteen per cent of the total enrollment is registered for physical education, but the boys lead the girls by one per cent.

The field apparently having the least interest for students is astronomy, which has a percentage of two tenths per cent of the student body or an enrollment of five students. Two of these students are freshmen, two sophomores, and one junior.

Aviation has the next to lowest enrollment, that of three tenths per cent or ten students.

Year Has Opportunities for Future: What Are Your Resolutions for 1942?

Now that the channel which heralded the first moments of a new year is still, the fumes have ceased to waft, and the term examinations and Christmas holiday are behind us, it is time to give a mental thought to 1942. There is an old idea that such a new year brings in a new season of change. The coming new year of 1942 presents the following year, by forming resolutions. It is a sound idea, but I wish it were more obvious this year to make our resolutions, not to satisfy the past, but to meet the future.

It is different from the past that we have ever anticipated before. This... we must make room for 1942. It is our own future, our ideas, that we are in danger. We want to do all we can to do the best, that we can to do the best.

Year's resolutions are inescapable in the film. There is a very old idea that we should try to overcome any obstacles that are in our path. We will not forget the obstacles.

We want to forget the obstacles in the film. There is a very old idea that we should try to overcome any obstacles that are in our path. We will not forget the obstacles.

We do not forget obstacles in the film. There is a very old idea that we should try to overcome any obstacles that are in our path. We will not forget the obstacles.

Furniture, Draperies, Transform Sorority Rooms in Kittredge Hall

Four "planter" rooms occupied by the sororities situated along one corner of the sorority "bellfound" are now having an opportunity to display their aesthetic abilities in interior decoration. Since the beginning of the year, the planter rooms have been involved in a complete renovation.

Lamps, figure rugs, curtains, a set of nursery furnishings of desert sand and flax and pictures in Philippine walnut. These pieces are a division of a series of rooms in the sorority. Taking charge of the rooms was Betty J. Pyle, Margaret Dean, Kay Bond, and Mary Pyle.

Professors Return Day Late From Vacation Travels East

CPS professors found traveling much different from that of former years when they went on their Christmas vacation trips. They all found that the government had even prior to their travel time, curtailed travel of students and faculty. Mrs. Bessie Smith, who went to visit her home in Missouri, was returning to Tacoma, and eventually found herself day after day of a very dull, dreary trip. Mrs. Myrtil McCaslin, herself, arrived from Missouri late, just in time to enforce the re-

Big Scale Expansion For Murals
P. E. Cred Will Be Given for Participation
for Murals. Every After
noon from 1 to 3.

With every thought towards the splendid mural art that will decorate the fac
ulty lounge this year, the art students
know that their efforts will be appreciated.

Parkas announce that the work in progress is im
portant and that the fac
ulty will be interested in the final
result. To protect the students from the late
summer weather, the mural work will proceed in
the faculty lounge.

The purpose of the murals is to provide a distinc
tive and artistic ambiance to the faculty lounge.

The murals will feature various scenes and themes, reflecting the
spirit of the college and its students.

The art students will work closely with the faculty to ensure that the
murals meet the desired aesthetic and educational goals.

Students are encouraged to participate in the project, either by contrib
uting ideas or by taking part in the creative process.

In conclusion, the expansion of the mural program is a significant
effort by the college and its students, aiming to create a memorable
environment for all who enter the faculty lounge.
