2 Summer Programs Scheduled

Students May Obtain Semester’s Credit when Enrolling in Summer College Programs

Two programs for summer students are being offered at the College of Puget Sound this summer.

The summer college will provide various offerings for students either from high school or junior college, for regular college students, and for residents who have to study on degree programs in their fields of interest.

The college’s course offerings include courses for high school and junior college students, as well as advanced courses for college credit on work without intensively overlapping or being too broad in content. The courses for college credit will be taken in three groups of four credits each.

The following courses will be offered:

1. English
2. Mathematics
3. Science

Each course will meet for two hours per day, five days a week, for a total of ten weeks.

Dr. Robinson Ordained Minister in Preparation for Chaplaincy

BY MARY LEROY RICHARDS

Wednesday evening at the First Congregational Church, Tacoma, Dr. Robert Powell, M.A., was ordained as a minister in the College of Puget Sound. The ordination was held as a public service of dedication to the College, under the direction of Dr. Robert Powell, M.A., for the purpose of calling him to the service of the College and the college to the service of Dr. Powell.

Dr. Powell was ordained as a minister in the College of Puget Sound on the second day of its existence. The ordination was held in the College’s auditorium, and was attended by members of the college faculty and students, as well as by friends and visitors from other institutions.

Tickets Out For Annual Senior Dance

Committee hands out the senior ball to be held Saturday evening at the College of Puget Sound. The committee also announced the formal program and the entertainment for the evening.

Dr. John Robinson

He is a member of the American Chemical Society, Phi Beta Kappa, and Sigma Xi. He has been a member of the College of Puget Sound since 1930, and has served as a member of the Board of Trustees since 1935.

According to Professor Arthur L. Menard, chairman of the College’s chemical department, Dr. Robinson has made significant contributions to the field of chemistry, particularly in the areas of organic and inorganic chemistry.

Dr. Robinson was born in Phoenix, Arizona, in 1895. He received his Ph.D. degree from the University of Chicago in 1928. He has been teaching at the College of Puget Sound since 1930.

Professor Menard said that Dr. Robinson has been a valuable asset to the College in his role as a teacher and mentor, and that he has contributed significantly to the growth and development of the college.

Government Notices As Approved for Training

CPS has just received its authorization from the United States government to carry on the government’s program of training students for the armed forces. The program is being conducted under the direction of the College of Puget Sound, and is supervised by the United States Office of Education.

The program will provide instruction in the fields of engineering, mathematics, physics, and chemistry, among others. Students will be selected on the basis of their academic qualifications, and will be trained for positions in the armed forces.

The program is being conducted under the direct supervision of the College of Puget Sound, and is supervised by the United States Office of Education.

The College of Puget Sound is a public institution located in Tacoma, Washington. It was founded in 1923 and is accredited by the Northwest Association of Schools and Colleges.

Dr. Powell, who has been associated with the College of Puget Sound for over 30 years, said that he was pleased with the program and its potential for training students for the armed forces.

President Anderson, who is a member of the College’s Board of Trustees, said that the program is an important step in the college’s mission to serve the nation.

Activities Limitation Approved

Long-Standing Controversy Ended Monday by Central Board’s OK on Proposed Regulations

After being discussed for years and for nearly a month in Central Board meetings, the proposed regulations on student activities have been finally approved by a majority of those attending Monday’s Central Board meeting.

The regulations, which have been a source of controversy for many years, will now be enforced by the college, and are expected to be in effect by the end of next term.

Michael St. B. Curtis, President of the Central Board, said that the regulations will make the college’s policies more consistent and will help to ensure that the college’s goals are met.

Widely-Known Hypnotist Here Wednesday Morn

Dr. Augustin Smith, widely-known hypnotist, will appear in Central Board’s program of lectures, to be held at the Central Board’s meeting on Wednesday morning.

The lecture will be on the hypnotic process, and will be followed by a question-and-answer session.

The program will be held in the Central Board’s meeting room, and is open to all members of the college community.

Dr. Smith is a well-known hypnotist, and has given lectures and demonstrations throughout the United States.

Education Chapter Meets at Seattle

Abel Bole, Local chapter of the Phi Kappa Psi, has announced its program of meetings for the year.

The chapter will meet in the Central Board’s meeting room, and is open to all members of the college community.

The program will be given by Abel Bole, Local chapter of the Phi Kappa Psi, and is open to all members of the college community.

The future of the Puget Sound Trail

Students Give in Chapel

CPS Japanese

Final Message in Chapel

The minor sport record of the Water Polo team was captured in the past four weeks. The team had an outstanding performance, setting new records and making their way into the next season with renewed enthusiasm.

Involvement with the Puget Sound Trail continues to thrive, with a strong presence in the local community.

Some students also had a unique experience with Alaska trip organization, setting a new trend for group travel in the area.
Greek Letter Groups Hold Annual Elections for Fall

Greek organization on the campus have held elections of officers for next fall, with the four sororities completing active business and three fraternities electing officers for next year. Marjorie Lewis Is Ideal Coed

Ideal coed of CPS, students debated in Marjorie Lewis of Alpha Sigma. She was elected to serve the College at the sale of the state at the University of Washington, but because of the size of the college, she was elected to represent the College at the sale of the state.

Vibrations Inform Chem Students of Fehlandt’s Return

How well shall we work with the school, and the College know that Dr. Philip R. Fehlandt had his class?

A window was broken, and some of the glass was broken by a box of the front door of the front hall. Dr. Fehlandt warned the class not to let the boxes in the boxes.

14 Men, 12 Berths Is Problem of Trackmen

The draft of picking the 12 men to represent the college in the Pacific Coast Trackmeets at Portland, Ore., has been causing much trouble among the members of the Cal Poly team and the interested fans of the university. The 12 men have been chosen and the first games are due to be played in a few days.

Fred Birt, who is a member of the winning track team and is expected to be one of the leading men in the meet, has been playing with the team for several weeks.
