Seattle Meet Attended by C.P.S. Faculty

The annual meeting of North-West College Personnel Association was held in Seattle last weekend with many C.P.S. faculty members attending. Colleges from Oregon, Washing- ton, Idaho, and Montana were represented, which is an organization for the professional personnel workers at the university. Faculty members in attendance were: Don H. Brusveen, who presided; Mrs. Brusveen; Dean H. H. Proctor of Washington State College; Dr. H. A. Fothergill, dean of women; Dr. R. W. Thompson, president of the college; Dr. W. H. M. Mahaffy, vice-president of the college; and Dr. R. B. U. K. Anderson, assistant professor of English.

Junior Appointed Director of City Salvage Campaign

Norman Robinson, former president of the independents, recently was appointed director of salvaging the Tacoma War Chest campaign, which consists of odor, Central and other city agencies and the football team. He is also chairman of the National Defense Committee for the United Nations.Dean Henry Proctor, chairman of the Northwest College Personnel Association, attended the meeting. Dr. Proctor is a native of Washington State and was born in Seattle.

Central Board Approves Budget

Paul Reynolds was this week ap­pointed to Central Board on behalf of the Student Union Building committee. He is the son of Dr. Thomas Reynolds, secretary of the student government organization. The committee met to consider the budget for the coming year and to approve the plan for the new building.

Male Voices Needed for Adelphian Choral Society

The Adelphian choir, which is the college's oldest organization, has been announced to be under the direction of Dr. W. H. Mahaffy. The choir has been active in recent years, and the new director is expected to continue this tradition.

Saturday Clash Puts City Title at Stake

By BILL ROSS

Baron Brundage's intercollegiate last weekend from the Parkland baseball and Lewis J. Frank's track meet will tangle in Tacoma's annual big game tomorrow afternoon. Northern grid fans will see Coach Frank's team, who have two victories out of three games, take on the Tacomans. The game will be played on the field in the city's vicinity.

Christian Youth Elect CPS Boy, Card for Cabinet

At the Tacoma Christian Youth council's meeting last Wednesday, Class C.P.S. students were elected to serve on the council for the coming year. They are Frank J. J. vice-president of the group and Peter W. president, and five other students were elected as members of the council.

Informations Wanted by Dean from Fraternity

Professor Powell has been appointed by the president of the university to take charge of the information department. He is expected to fill the position effectively.

Two Professors Accept Commissions In U.S. Army Specialized Corps

Dr. B. L. WHITE

The past week has been devoted to the examination of the city where the entrance is to all the churches in working together. They discuss problems of mutual interest and promote understanding among people of the city. The meeting was held in the church, and the Tacoma Council of Churches is doing a good job in promoting understanding among people of the city.

Professors accepted commissions in the Army Specialized Corps, with two professors holding two-week tours. Dr. Paul Reynolds, head of the education department, left Tuesday to accept a commission as a Lt. Colonel in the Army Specialized Corps. Dr. Philip Powell, chemistry head, left Thursday to accept a commission in the Chemical Warfare Service. Professor Powell has been with the college for two years, spending his last two years on the education department and the chemistry department. He is expected to fill the position of information director.

While at the college both professors have made contributions to the college. Professor Powell serves an advisor to freshmen and to the faculty. He is also chairman of the student government organization. The professors are expected to fill the position of information director.

Through the efforts of our chapel committee some of the finest programs ever to have reached the student body have been planned for the Monday, Wednesday and Friday meet-

Former English Professor Lists Student Principles

Our American political parties have their platforms upon which they appeal to the voters of the Republic for support. Likewise, every man and woman in the college, and in the community, or for that matter anywhere, lists some principles by which he

Veteran College Professor Lists Student Principles

With this in the mind of most students, every young person will want to get the most out of his college education and make the utmost of the high service of his fellow men. Therefore, \( M. S. W. \) urges that all young people have made good use of the time at hand, and that good work be still be a part of the state of a college student.

Added value and interest to the student body will be most important to his education. The organizations of which he may be a member will contribute greatly to his development, and the opportunities which he may have in the world will give him a wider outlook. It is not enough that a young person be good to his school; he must also be good to his country.

The success of the student will depend on the conviction he has to be good to his country, to be true to himself, and to be true to his generation. The student true to this conviction will have the best of both worlds.

Glad to see that college authorities are making every effort to help the student and the faculty alike. Our advertisers, on which a great deal of our financial support depends, have been more cooperative in the past year. Colleges should continue to make every effort to contribute to the student body bear with us and cooperate in this difficult time. Let's time be at the SUB promptly at eight o'clock tonight and college life.

Esther Mann urges that "All of you in search of a good business career have always been a good kind of outstanding business career. The young person who is making a business career should have a good time. Not only a good business career, but the best of both worlds, and a wide outlook on the world.

(18) To honor God, to be loyal to your country, to make the utmost use of your time, to be true to yourself, to be true to your generation.

(17) To use one's talents to the utmost for the benefit of fellow men.

(16) To be earnest and sincere.

(15) To have integrity is noble, and to be true to your word is a good thing.

(14) To have the courage of conflict.

(13) To have ambition is noble, and to be true to your goal is a good thing.

(12) To be brave and strong.

(11) A mind open to new truth.

(10) Every college student will be a member of some organization.

(9) To be a leader in some organization.

(8) To be a leader in some organization.

(7) Labor being divine or human.

(6) The fundamentals of religion are what really count in life.

(5) The fundamentals of religion are what really count in life.

(4) Loyalty. The young person who is making a business career should have a good time. Not only a good business career, but the best of both worlds, and a wide outlook on the world.

(3) To be brave and strong.

(2) To be brave and strong.

(1) To be true to yourself, to be true to your generation.
Arabian Nights is Theme of Mu Chi-Lambda Dance

Mu Chi alums and their Lambda harem will travel by scamper to the Lakewood terrace, Saturday evening, October 17. This annual informal pledge dance, keyed to the Arabian Nights, will be in full swing. Their tribute will feature a magic lamp and genie gold sword and the sorcerer.

CPS Loggers Meet Lutes Saturday In Bowl

Mural Games Get Under Way; Zetes, Kapps Win

The intramural football season got under way last Tuesday in the usual manner. Sigma Zeta Epsilon swamped Alpha Chi Nu 26-0. The Independents almost upset the Delta Kappa Epsilon, Washington. Before dropping an even game til 8-7. On Thursday the Zetes defeated Sigma Chi 18-0.

The Zete first team counted three times in the first half in the mortal contest, which was counted twice for all scores in that period. Not until the third touchdown did they convert; that on a pass from Croix to Bart Woods. However, this was a good pass, and the 26 points were made on a beautiful kicking, except where the Kapps failed after one more. Gatchell, of Zetes, reached the upright with the extra point and ended the game.

Kapps Score First

The game was opened by scoring in the first five minutes. The Zetes made a long drive, but could not punch it through. Gatchell followed his placekick through for the score. A pass to Croix in the second minute made a gain of 10 yards. The Kapps failed on the next play.

Zeta Scores Two More

Later in the game the Batman had the ball when the Delta Kappa Epsilon fumbled it, but the Zete back could not catch up with the Independents and with the score tied 3 to 3. On the next possession of 36 yards and the 3-yard tackle, Baye Spaun blocked and returned the ball to a few inches of the goal. The Independents made no score.

President Thompson fired the gun and the brawl was on. Only one freshman was carried off from the field during the first half. "Pooney" Vaughn, head of the soph class, came on for more. His shoulders are still sore. Dick Perkins, freshman-class president, being a football man was unable to participate, but was in there giving instructions.

The scoring stream, which led the ball to meet Ben North, Vaughn's partner, the first bag across the opposing goal. This, evidently, made the team on fire. The Freshman men were turned down again, but the Kapps were not to be stopped. This year the picture was unclouded. (We hope). Williamette had the easy return, but was not able to advance its position. The Freshmen men were turned down again, but the Kapps were not to be stopped. This year the picture was unclouded. (We hope). Williamette had the easy return, but was not able to advance its position. The Freshmen men were turned down again, but the Kapps were not to be stopped. This year the picture was unclouded. (We hope). Williamette had the easy return, but was not able to advance its position.

When it was all over, the Zetes won the game and took the享受的特写 of this weather report is at least one hour after occurrence). We hope the game will change! (We hope). Willamette hasn't the eastern reposition yet! It should be too hard for our boys to make a least a couple of scores. This, together with the ball down the alley, but they do not have to be ashamed if they make any on the field. It's just a good thing that they get plenty of experience on the golf course as yet is swinging it, and with a few lessons and a little practice they'll be there. The Freshmen men were turned down again, but the Kapps were not to be stopped. This year the picture was unclouded. (We hope). Williamette had the easy return, but was not able to advance its position. The Freshmen men were turned down again, but the Kapps were not to be stopped. This year the picture was unclouded.
