Homecoming Beard Contest Registration Starts Monday

Descendants are to store for CMS makes as Monday will open the Smash Board for Homecoming, Monday, and Tuesday. The Board will be located in the lobby beginning at "starch." This contest is not a new one in the petals of our Alma Mater. Jake assured, "it is really one revived from the period of bygones days."

The competition should continue without problems, with all shapes and styles of moustache gone. Jake, one of the judges in point of view, Bill Grover, judge for first place, said, "if no one has seen them, I haven't.

Students Collect Scrap for Drive

The next meet of the week will be scheduled for waterfront collection with the Tacoma clam-nest drive of which Bill began, "if you can get one for the drive, it will be a bonus."

Two CPM Men Receive Honors

Two former CPM men received formal recognition for their service in the armed forces. Both are currently working near the city and army. Lt. John Clifton, who returned from the service, is a member of the college in a recent meeting.

Magazine Carries Faculty Article

"Why Teachers of Research," an article written by Dr. Charles T. Smith appeared in the following pages of the Faculty magazine, and was received with pleasure by many of the students. The article was printed in the school newspaper.

Monday Day's Work for Cards

Monday was the deadline for obtaining student body cards for all those who have not received them by now.

Prof. Frederick

Acting Chairman of Service Group

Professor Charles L. Frederick is chairman of the college planning and selection committee of the Tacoma state council of the Boy Scout, which is making a real war-time drive for cards for those who have not had them before.

Homeworking in stage 4, he is now ready to pick up and start the show. The contest is open to all those who have not yet started to plan their stage 4.

New Trends In Debating This Year

Wednesday's rarefied meeting of the debate team was closed by a very interesting speech.

Dr. Powell and Dr. Shelmidine, who are now in the armed forces, will be members of the debate team. The debate is closed with a vote of thanks to the sponsoring club, the Student Council.

Homecoming Play Cast Out

Calling for the homecoming entertainment, "Till's Coast," has been one of the most successful events in the recent years. It has been announced that "Till's Coast" will be played on the stage of the college, and will involve $10,000 in work.

About 500 people are expected to attend the performance, and it is expected to be a great success.

President Featured

Education magazine features an article on Mr. Thoma Thompson, the young college president, on the campus of the University of Washington. The article is written by Mr. J. J. Donnelly.
PARADE OF OPINION

William Colton Dennis

October 19, 1942

There is one basic requirement for successful development of the educational process, and that is freedom. The union of the religious and educational institutions of church-related or independent colleges is in my judgment the maintenance and preservation of freedom. It is the very fact that a college is small makes for freedom and individualism. The study of the liberal arts in itself means that emphasis is being placed on mental training rather than on the imparting of information or skill or specialization or technical training. To learn "how to think, not what to think," is the goal of the study of the liberal arts; its effect is to train the mind for any emergency.

Construction means adaptability. It means doing the same thing for growing young men and women that the skillful foreman for trees is, that is, growing them as far as possible in the attitude and environment in which they will live. They will not together in college; some will. College affords a unique opportunity for the development of mental and spiritual growth in men and women.

A church-related or independent college stands first of all a college free from any kind of state control. It is sub- mitting to the inevitable in the sense of the 'American Way.'

How Much Are You Worth?

By Marvin R. Schafer

You are worth what you can add to the college. The college is a social institution, an agency for the development of individuals, and you are only worth as much as you can contribute to the college. If you are not worth what you can contribute to the college, you are not worth what you are worth.
