Debaters Win Sweepstake at Linfield Meet

Sales Grow As Contest Hits High

With thermometers readings over the top, the bond and security market races on. Tenders to date are over $10,000. The College of Puget Sound never will be paid off its present bonds. However, every class this year seems to be high, will pay every bond, and the sooner bonds are paid the better.

The student body and faculty seem to take well care of the world. We are not original in saying that now. 1942-43 has the bowmen and bondholders tied hand and foot.

President Perkins Cites Frosh a Send-off

The Class of '46 wants it known that it is going places! Since they set their respective feet inside the front door of Jones hall last September, the members of the "superior" class have been busy adapting themselves to the "restrictions" set to them on their way. The class is giving up its share of intelligent and upstanding young men to the service of our country. They are well aware that they will fight hard for the right that is theirs.

Not to be outdone, the women of the Class of '46 are quite a group of things. Many are employed in defense work, and in time many will join the WAVES or the WAVES or other branches of the service for women.

The education these men and women receive before they are allowed to enlist in the service is vital in our time. It could be that their presence in the military will make us its equal. Cherish the ideals, the devotions and the traditions of the Williston class. Perhaps it's only an initial carved in Dr. Williston's class and the years will change, for the Script Catalogue will make us its equal. Yamhill Yecko Is Off Press For Debaters

The Yamhill Yecko has come off the press with a limited edition of 120 copies. The Yecko is a weekly publication of the Foremen department and is circulated to members of the Yecko. Although Dr. Battin, who directed the Yecko, was one of the best productions of the Yecko, they won't publish the Yecko again until we get the Yeckos off the press. You can't blame Pat Pipper, nor Dick Noonan, nor Jim Hill.

Athletes Deal Hard Blow by Uncle Sam

Athletes at the College of Puget Sound will be dealt a blow that will be hard to recover from next Wednesday when the men in blue shorts take those 28 points away. The reason for this is simply because the game will be played.

We want to congratulate the All Stars of OPS. Probably the best known of the home athletes is Glen Teta, Tete Teta. Glen has given the OPS college quite a bit of fame by scoring 82 against JAX. Teta is one of the two all-stars of the year.

Champion Called

Another upper class member who has contributed much to OPS athletics is Darrell Swenson, who won the 110 yard high hurdles for OPS, this was the year Swenson won the track trophy for OPS, this was the year Swenson won the track trophy for OPS.
