The Class To Be Remembered

"We are the seniors of Renuv!" Ours is the class that will be remembered by the faculty, administration and students for years to come, because of our unerring spirit, in spite of nine out of ten of our members dropping out of school, due partly to the war. I am sure you will admit, though, could you tell me why?

I'm proud that I could be the president of such an outstanding group. Thank you to each and every one of you who has contributed so much to the class. These and the years that will long be remembered as happy ones.

Good luck to all of you, and in future homecomings, ours will be the class with the best representation and the most spirit, just as it has throughout its college career.

ESTHER MANN,
President of the Class

Leaves College of Dreams

By JANE THOMPSON

In the fall of 1949 there were well over 200 college-going women who signed on the dotted line, paid their tuition, and were matriculated into the College of Puget Sound. They entered into a college that was made up of approximately 700 students, and there were more male than female among this number. The activities of the associated students and of all of the campus organizations were carried out normally throughout the entire year. We enjoyed our college life as a minority group, and when basketball was ushered into a bright season, the class of '44 was well represented in the field of sports by Lundvall, Moles, Murphy, Fengler and Star-in-track.

We had our chance to shine. We almost as a class were a college in transition, but as we looked to the future, we were not discouraged by the war-time emergency."

"We Are the Class That Spells Success"

Hello, Mrs. Mother-of-a-senior, I'm one of the seniors, and I forgot how to get to the place where we're leaving from. How do we get there?

"Is this Baker-U-Drive? Has anyone rented a truck for Wednesday? They have. Well, cancel the order, please."

Now that spring has made its full appearance, we are a bit (Continued on Page 4)

We are the seniors of Renuv! Our class is the first to graduate in the new College of Puget Sound, yet one of the smallest to graduate. It is in recent history. Struck by the present crisis the members of this class are serving the armed services on all fronts.

A glimpse of the personalities of the members of the class who are still pursuing further education, we, the junior class, will remember our drinks and individual's will always stand out in our minds.

We'll remember Esther Mann's pep, Jane Thompson's poise, Shirley Milton's quiet way, Jackie Moore's quick wit, Florence Glidewell and Stanley Smith's strip team. As the days come and go, we'll also remember Don Lamka as a senior speaker, Paul Pruett as a descendant of songbirds, Flos Faah as a good songbird, and Mildred Miller as a strip team lead.
