Frosh Play Night Was Heighed By Star Actors

The frosh class again proved their worth with their excellent production of the one-act play last Friday evening before a crowd of about 400.

The Tenth Word, a comedy in two scenes depicting the changes in the educational system as time passes, was interested mainly in getting back to the truth that fine light, Carroll Todd and her plate-like characterization of the girl student was particularly good. On the other hand, Don Kelsey's role was a bit of all right, too.

Picture Dates Set By Staff of Tamanawas

Tamanawas picture taking is to be handled in a new way this year, designed to relieve any last minute rush to Koma-Ellis, a sched-

ule has been set up, and will give each organization around the campus a certain period of time in which to have their pictures taken. Each group of representatives will have their representatives appointments for settings.

Representatives of the various organizations are to see their representa-

tives, and in case of all those

in advance. The representa-

tive should also know what time of the day is the most convenient

for the student. The representative will make appointments for the various members of the organization, and at this time there will be no rush, and all will have an equal opportunity to have their pic-

tures taken.

The following is a list of representative appointments:

**Selective Service**

A friend of my mother’s was told, a few weeks ago, that two boys had been called on. She could not understand why two boys when her son had never been called on. Do you know what I mean? I am sure that most of you have received your draft cards but if you haven’t, you are probably just about to.

Words of praise and glory, words of wisdom, true and false, funny, sayings, jokes, etc. are being collected by the Students of the Naval Training Station now to be used as a magazine to be published early in 1945.

**Recreation W as Theme of Speech**

The advantages of organized recreation in the city were stressed by Fred Thomas, a member of the Trail staff, and Mr. Thomas Lantz, director of the Tacoma Park Board, who spoke to a large audience of students.

He told of the numerous recreational programs being carried out in the schools. For those who attend secondary school regular physical education classes are conducted.

**CPS Stands High in Personalized Education**

Only about one-eighth of the persons college age are given the opportunity of attending college. Of those select few, only a small portion can attend an institution with the high standards of the College of Puget Sound. Only a select few attend a college where personalized education is emphasized, only a small portion of these schools have the type of student government that we do here at CPS. You are very definitely privileged to be a student of this, "Our College of Dreams."

Are you taking advantage of this opportunity? When you know that you can have the chance to sit there in suspense hoping you won’t be called on? Do you plan to write these opportunities? Do you know your own social life, so that you can find time to attend the only functions planned by the Student Affairs Committee?

If you have attended college before, you know what abusing a great privilege is. The privilege that so few Americans are given, to look into the opportunity to exercise. We are asking you, for your own sake, to take advantage of the opportunities offered you, and support your school functions. Respect your college standards, and show your respect by trying to get the very most while you are here.

Kappa Sigma Theta Plan "Winter Wonderland" Dance Saturday Night

"Winter Wonderland" is the theme chosen by Kappa Sigma for its annual dance planned for this month. Miss Faye McCready is general chairman for the event.

Special guest will be the Mason Lawn and Tennis Club twenty-five-volunteer servicemen from Fort Lewis.

Remember! Soph Party Tonight!

The entire student body is invited, by members of the Sophomore class, to attend its Soph Party tonight. Trucks will leave Kittredge Hall, bound for the "WINTER WONDERLAND," in regular intervals, beginning at 8:30, with the last load going out at 9:30.

Skiing will be from 5:30 to 10:00, when students will return to Kittredge Hall to the Ski dinner to be served. Following this will be games and dancing until 11:00. This is an absolutely non-alcoholic affair, and for the evening will be 50 cents, plus extra for skis.

Miss Anna Marie Vaughn is general chairman for the event. Accompanying Miss Vaughn are McChall and Miss Kertu, decorators; and Misses Malanda, Thompson, Betty Jane Kapp, and Roberta Refsnes, refreshments.

"Victory in Europe," is the day we all hope for, and when it comes, a special chapel program will be held. If the news breaks before 12:00 noon, however, the chapel bell will ring immediately, and a "Christmas in July" service will be conducted.

There will be volleyball, ping-pong, badminton, square dancing and community singing. "Remember, all you girls, come, and wear your Christmas clothes, you'll be ready for a good time," say the co-chairmen. Admission will be 50 cents.

Committees planning the affair are Misses Ruby Smith, Joyce Fitzar, Joan Lance and Lurline Randall, decorations; Misses Betty Ritter, Joan Lance and Margaret Patterson, refreshments; Shirley Gibbs and Beverly Hofsteder, refreshments, and Mary Ann Truitt, June Larson, Janice Landman, Catherine Zeiders, and Joyce Thurber, sports.

Helping the four corners of the room will be Misses Stilley, Pat Beem, Thelma Glaubert and Joyce Thurber, entertainment; Misses Cross, Marie Ecketon, Jean Hallen, Kistina Melberg, and Margaret LeRe, invitations and decorations; Misses Sue Hendriksen, Ursula Eggertsen.

The Christmas season is depending on us, in reality, with what we create and partake being planning the event. Here and last, but not by means least, means of communication, are there those taught souls who say, "Let it be my Christmas shopping done!"

Santa Claus is coming to town and ladies will offer for various unsuspecting students during Friday's class period. December 14th, and everyone should draw a big red and green ornament, or date of the hour on their calendar. Popular Christmas music will be heard, and "I'm so much a one won't be

BASKETBALL TEAM

The basketball season opens here with the beginning of the basketball season on Monday. The season is determined this month, which no other sport can expect. Baseball is one of the most popular sports in the country. A keen interest is shown in class competition and there are competitions between the various organizations.

There are some excellent players on the varsity this year, and we find that many of them are outstanding players from last year's games. Among the best are — Mary Ann Trutt (a very smooth forward), Arlene Marchetti, Ruby Smith, Jeanne MacDougall, Evelyn Marshall, and Margaret Lindeman. Jane Stadler, who has been playing forward, is going to be changed to guard.

These basketball experts will go into action on Monday, when basketball practice begins. Practice will continue until Christmas, when class and sorority games will commence. The fine players and the keen competition hold promise of some extremely exciting games.

The last year'sedited basket ball game was won by the Gamma, but out without some very close competition. In fact, the Beta lost the cup to just two points. In view of these facts, we can realize how the time and the competition against the keen competitive spirit which is involved in these class and sorority games.

With the enthusiasm and encouragement displayed among various basketball players, we can anticipate a thrilling season in basketball.
