King Noise resigned in June for last week when the college band held its first rehearsal. With almost 60 members, the band is making great progress.

This is a surprise to me, especially since I am a fan of the band. The boys have been practicing hard and their voices are becoming more and more distinct.

The sound of their voices fills the air as they sing their songs. The boys are getting better at imitating the sounds of the birds and the wind. They are almost ready to sing in front of an audience.

**Dorm Dora**

Dear Diary,

The keynotes of fashion among dorm girls is hair cut on straight lines instead of the crépeperms that roll round here. I see each night looks just like a cocker spaniel to the dorm girls. I haven't decided yet whether to remain a "pet" or turn into the "toto" (the pin-eyed type) or something else. I don't envy any one of the dorm girls all the hair from one's decrepit.

I always notice the amount of the dress girls who are getting engalpentered as second class matter at the Post Office in Tacoma, Washington.

LOGGERS TO OPEN GRID SEASON SATURDAY

CPS Travels To Bellingham For Conference Inaugural

By Mal Stevens

At eight o’clock this Saturday evening, the Logger’s first post-war eleven moves into high gear. They travel to Bellingham to do battle with the Vikings of Western Washington College in the opening football game for the season—Bellingham Normal.

The braintrusters of the CPS athletic department picked no easy task for their opener, a larger squad than they have seen in years.

The last week can’t be counted out.

The tackle position has narrowed down to six men, Bob Morrison, Dick Herman, Ralph Rowes, Ross Skelton, Bill Plantameas and Phil Hansen. Bill Sparks, the seventh tackle was out of last week with a bad cold, but will be a contender as soon as he gets back in shape.

Three Towns of Guards

Ralph Lindsay and Jon Nye, two letterman from ‘43, are one of the three teams of guards. But Greely and Leo Gildof are working together, while Coke Strow and Jack Adams are teamed.

Larry Matson, Dick Twelv and Jack McMillan are vying for the pivot spot.

The quarterback position will go to Kenny Vollmar, Ed Remick, Jim Wilson or Bob Williams.

The ball-packaging position, left half, has turned out to be a terror battle. “Vanishing Vich” Matson and Ray O’Dell were doing most of the work last week, but letter-

“Sports Spree” was the name of the gathering which was held in the gym by W. A. A. last Wednes-

time. This served to intro-

duce the freshmen girls to W omen’s Athle-

tic Association. At that time schedules in pamphlet form of a basketball, specifying the different games to be played, were issued by

vice-president, Peggy Rough. Betty Jane Cappa, president, then spoke to the group about the traditions and sportsmanship created by W. A. A., Mrs. Johnson, advisor, also extended her welcome to the gathering. At the close of the session delicious apples were served.

On Friday, September 27, the first game of hockey was played. Those girls who are still interested in turning out, however, may do so.

As a reminder we meet every Mon-

day, Wednesday, and Friday at 5:00 p.m., in the gym. Upon request you will be issued a locker.

Defeating the sophomores by a score of 756 to 300, CPS Freshmen broke a tradition in the traditional bag rush held on the college football

field Friday.

The freshman victory was a re-

veral of the usual procedure at bag

rushes, since the sophomores are generally triumphant with the most number of points which are

based on the number of a team to complete 30 second bag

rushes toward their opponent’s goal line.

Freshmen can no longer be com-

peted to “wear the green bruises signifying their ‘green’ condition at the college because of the trimming they handed the sopho-

mores. To quote a sophomore, “This is certainly going to make it hard for us to maintain the proper discipline with those freshmen.”

Freshmen participants in the bag

rush were James Bell, Wally Brown, Ken Campbell, Dan Sca-

mound, Carroll Dunne, Dick Fre-

rick, Don Fiveson, Jim Long, Wayne Seaman, Bill Seton, Lloyd Silver, Howard Walters, Bob Wissel, Ralph Wilbert, Glen Wol-

Members of the sophomore team were Clayton Anderson, Jack Johnson, Sidney Smith, W. H. Har-
