Big Homecoming Parade Saturday

"There should everyone be on Saturday afternoon at 1 o'clock. Why, downtown in Tacoma all along Broadway, of course. Yes, there's going to be the greatest Homecoming parade that ever there's been," exclaims Ray Cason, who is in charge of the Homecoming parade.

These organizations which have floats in the parade are the Independents, all the sororities, all the fraternities, the Stil Club, and the Knights, according to Ray. He added that the Homecoming queen will be on the Knight float. Professor John O'Connor, band director, stated today that the Homecoming queen shall be in the Armour on November 9, at the Armoury. Approximately 400 couples are expected to dance to the music of Walt Gunderson and his 15-piece orchestra.

Ray Cason Queen

Highlight of the evening will be the coronation of the Homecoming queen and Homecoming prince Saturday night at the Armoury.

The American Delegation is thrilled that such a large group of college students as your Northeast College Congress has such an interest in National Defense, that you have come here personally to view our activities and receive provision to your regions.

"I assure you for myself and all of the American delegation that we will give much study and close consideration to your remonstrations."

This, in substance, was the reproduction of the reply given by Warren Austin, chairman of the American delegation to the U. S. Atomic Scientists (University of Ore­gon) and Troy Strong, after the delegation presented a resolution of support for the PAC-6 specific to the Homecoming pageant scheduled for the contest, and it will be postponed because of the float carrying the five candidates for the Homcoming Queen.

A cup will be the winner of the parade. No ears will be allowed in the procession, which will start at 17th and Market St., CPS or Whittier in Stadium.

The Homecoming football game with Whitman College will begin at 2 p.m. Saturday. Students are asked to sit between the four yards lines reserved for them. Pre-game and halftime entertainment will be provided by the CPS band and Loggrettes with the Stadium Band and singing a national and national. A husky school drill team.

"Please wear your College colors to Tacoma knowing that we've going to have a big Homecoming celebration," urged Andy Thompson.

SONGSTEP POSTPONED

The traditional homecoming song festival has been postponed, according to Ray Cason, homecoming chairman. It was postponed because of the Special Homecoming contest, and it will be presented at some later date before the semester closes.

The rest of the money will be used for the Homecoming Queen's coronation and the semi-finalist in the contest.

I'm not the only one who is experiencing this issue. I believe that the reason this is happening is because of the high demand for shoes and the limited supply. It's not just a local problem; it's a global issue. People are buying shoes in bulk, which is causing a shortage. I think we need to find a way to increase production and ensure that people have access to shoes.

 Former Registrar Writes of Experiences in Norway

“Of course experience has been very interesting, even though we have had to run into conditions which we did not understand or appreciate. It was Professor Miller, former registrar of C.F.P., presently at the University of Oslo, Norway, as an exchange professor, in a letter received by C.F.P. yesterday, who has given us this interesting report of his experiences in that country.

“Speaking of the differences between the Norwegian and American college systems, Professor Miller says, the system here is such that once a faculty member is appointed to a school, he has to do his own announcing of courses, subject of course to some consultation among department members, and checking of room assignments in the President’s office, but otherwise, everybody is a free agent. Students do not register for courses in the beginning of the term, nor the faculty in the end. They meet, make classes, make assignments, and then the students can take the course they want, and the faculty is not paid until the course is completed.

In the last week, the students have had a relatively peaceful time on campus, and the stress levels have been relatively low. The culmination of this week's events was the graduation of the Delta Kappa Phi chapter, which was attended by representatives from all the fraternities and sororities on campus.

The main event of the week was the Omicron Pull Theater Sneak. The performance was well-received, and the students were enthusiastic about the show. The Omicron Pull Theater Sneak is an annual event that brings together students from all over the campus to watch a performance of a new play.

The next event on the calendar is the Omicron Pull Theater Sneak, which will take place next week. The students are looking forward to this event, and they hope that it will be even more successful than the last one.

He called "Vanishing Vic," and the University of British Columbia Thespians were dumbfounded after Vic Matthews scored three touchdowns to lead the College of Puget Sound to a convincing 34-6 win in the Tacoma Stadium.

In the early minutes of the first period, the Loggers took a Thunderbird punt on the 30-yard line and marched downfield for the first score. Matthews flipped a 21-yard pass to Rich Vanich, putting the ball on the UBC 17. Matthews flipped up two to the 15. Pullback Warren Wood hit the line for 7, and Matthews ran for the final 13. Another touchdown for the score from the 8. Twofield Ruffin kicked the point.

A Thunderbird fumble on their 31 was recovered by the Loggers as the second quarter opened. Three plays later, with the ball on the 13, Harry Merrick handed off to End Ed Huntington, who fought his way the last five yards for the second touchdown. Buffalo's kick was good.

**Victor Stevens**

In the same period, Manfield tried a quick kick on his own 42, but a fast UBC returner got through and blocked it. As the ball came down, three Thunderbird tacklers grabbed it in the air and raced to the CPS 26 before it was pulled down from behind. Three play runs, that started with a 10-yarder from Doug Boyd to Don Nelki, put the ball on the 7. Dan Warner picked up two to the 5, and then it was Pullback Wood hitting the line for 7. At the 2, Sullivan saw three more yards for UBC's only points. Nelson Wood kicked the point.

The Loggers came back after the kickoff and drove 52 yards for another touchdown. A pass from Wood to Mitchell, good for 11, put them in scoring position on the 45. Five plays later, Matthews skirted short right end and ran 19 yards. Sullivanally, Buffalo's kick was good and Puget Sound led at halftime, 7 to 6.

**Matthews' Alibi**

Late in the first period, with the ball in the last yard and one to go, UBC's end was tackled only four plays to score their fourth touchdown. Matthews picked up three to the 39. Wood hit the center for 11. Ruffin raced around left end for 25 to the UBC 15, and Matthews pointed around the end for the other end for the last 25 yards. Buffalo pinned to End Dick Robinson for the extra point.

Harry Manfield accounted for the final touchdown in the last quarter when he cut off right tackle and raced 83 yards through the British Columbia secondary. Wood kicked the final point.

Hurling Harry Manfield's run of 75 yards last Saturday was the biggest from scrimmage so far this year. Bob Robbins, that hard man, applied the block that paved the way for Harry. Jack Spencer was rubbing on that 87 yard jaunt of his. Bob Morrison, the Weston Rocket, is now known as "Tapper" Morrison. Wodee is as hard on his own men as the opposition, on one line his smash dealt a tough goop out of Bud Greene's hand, stripped in the middle of Jim Brown's back and one of Ike Mitchell's legs. the run ended at the 25-yard line, however, Vanishing Vic in the team high score with 18 points.

Ruffin is next with 11. Fourteen of the ball players are married. Three of those have kids... one spouse... **Loggers Host to Whitman in Homecoming Tilt**

Loggers Set for Play
In Stadium on Saturday

By Mal Stevens

This Saturday at 2 p.m. in the Tacoma Stadium the Missourians from Whitman College are set all to spell all the grand homecoming plans of the Loggers. The old rule of pre-war years comes together in their first football match since the revival of football at both schools. In every game the two schools have not, comparative scores and previous records are washed down the drain because they never mean a thing.

In the first of its kind in the North, the Columbia Conference coaches, has an unpredictable ball club this year. One Saturday they receive a short-lasing, and come back the next week to do the challenging themselves. Burins' boys have proven hard to scout as he comes up with a new system every game.

Mel Light, formerly a Clover Park star, is the main threat of the British machine. A 210-pound fullback by the name of John Rickett is the Missourian sixty-minute man. Capt. Dick Williams, playing his fourth year for the team, is ballhawk in the forward wall.

The Loggers are in top shape for the homecoming games but a heady thing is up in the air as to who is going to start as Coach Patriot is planning some surprises for Whitman and the homecoming fans.

At this time, Dick Robinson and Bob Mitchell are the likely starters and some of the defense men as the opposition, on one corner Bruce Rector before Nov. 20.
