Intramural Sports...

By JOE MANLEY

After an abrupt interruption by fire in our "cracker-bash," intramural basketball play will be resumed and completed with the three remaining games to be played tonight. The all-campus Chi No. A "J"-Boys game, which would necessitate a playoff should the Chi No. A "J"-Boys win, will start the evening off, with the DX No. 3-33-3 and the Indian No. 2-2-2 following. Upon completion of the regular season, an all-star team for each league will be picked.

Annual Track Meet To Be Held

One of the biggest events of the year in intramural sports will be on March 27 and 28, when the annual track meet will take place. The meet will be composed of 11 events: the 100-yard dash, the 220, 440, 880 and the mile; the 160-yard hurdles, the 220 high hurdles, the 220 low hurdles, high jump, broad jump, discus throw and shotput. A team from each organization will be entered into this meet.

CPS relay swimming squad closed the season last Saturday by taking a fourth place in the Northwestern A.A.U. swimming championship meet in Seattle. The relay team, composed of Ray Frederick, Bill Chalk, Bill Brasier and Joe Boyle, swam against the leading relay teams in the Northwest and Canada.

Thindals Prepare To Revive CPS Track

The first meet for the 1947 Legion track team has been tentatively set for April 15, at Vancouver, B. C. Assistant Director Frank Patrick announced today.

The last track meet to represent CPS in intercollegiate competition was the 1932 season, coached by Les Frank, who placed second in the northwestern meet.

Among the aspirants who have been training for the last few weeks are Clarence Nelson, former Stu­dium miler; Wayne Mann, another senior who set the mile high jump record in high school; Dick Lewis, high and low hurdles; 200-meter, a 220 and 440 man who did his share of Great Lakes while in the service; Dick Robbins, Leslie Golph and Ross Kaye, discus throwers; Dick Clinton, another for­mer, Stadium speedster.

Collegeiate Driving Makes Insurance Tycoons Nervous

LODGE 38 (ACACIA) in­urance companies are known to bet on the survival of almost anything, from Grabbe's legs to Gallog's rank, but you, the exception, if you drive a car to school. It is hard to believe, but Joe College be­lieves a national tycoon has a greater say on the road. the "woman driver" has found her match in mayhem.

"I know you college students, stat one underwriter to Charles F. Gross, Washington University student who was prospecting for parking space madly habitually in an absolute fog, ogling at pretty girls, plucking fenders and running down sweet old grandmothers just to get to class on time, and, as he expected, the leading insurance tycoons of the country have sought their revenge. Backpatty loops fellow drivers to pay liability claims, accidents caused by college students.

Baseballers Open Campaign At Linfield, Pacific in April

With less than three weeks remaining before their season opener at Linfield, the CPS baseball team is gradually getting into picture.

This spring marks the revival of the national pastime to our campus after an interlude of more than a decade. The return of baseballers was absolutely the news that most of the college representatives had been waiting to hear.

What are the team's chances for a successful season? Here's the way to see the observer—among the infight, outfield and catching de­partments. The pitching staff possess a 7-4 question mark, especially in the Northwest conference where doubleheaders are the rule not the exception.

ANDERSON, HOWARTH HALLS

Honor Prominent Citizens

Have you wondered about the people whose names you see every day on our campus? Their gifts made it possible for the College of Puget Sound to have some of the finest college buildings to be found in our state. This week we will try to acquaint you with the people for whom Anderson Hall and Jones Hall were named.

Ages Heady Anderson

Ages Heady Anderson was the son of a wealthy lumberman who made his fortune in Shelton, Wash­ington. His father, who returned to Shelton and coached until she died. Jonez died in the Seattle in the final years of her life. She made gener­ous gifts to a number of colleges including the University of Wash­ington, whose forestry building is also named Anderson Hall.

Our Anderson Hall was dedicated in February, 1939. Mrs. Anderson was present at the dedication and received an orchid from one of the first residents of the hall.

Leonard Howarth

The Leonard Howarth Science Building was dedicated on February 19, 1932, "to the ministry of scien­tific research and interpretation, that men may be free through the knowledge of the truth." Leonard Howarth was an honored citizen of Tacoma, whose service in his community made him worthy of such a monument. His will included a bequest for such a purpose, and his administrators designated CCF to be recipient of the estate.

The dedication of the building included the ceremony of unveling the memorial tablet, the name over the main entrance, his portrait, and a cabinet containing exercise books which had belonged to Mr. Howarth's father.
