**Phalanx Presents To Present Own Drama**

By DOUG BROWN

Following their traditional trend of originality, the Phalanx basket- ball rioters return on marine to the campus 7:30 Friday in a play entitled "Portraits of College Girls and One Who, When and How." The play will be rolled off in three scenes and a whole bunch of it. The rioters will hardly be time to show all these separate, since there will be four or five going on simultaneously in the lobby, in the auditorium, in the, and on the wall. The play is new and modern in college drama has been acclaimed by those going to school under fraudulent, that is that they can find their way to the Auditory and in (he Hope's column, he's jealous), swellling so there will be four or five actstracts to gun men to get rid of the Phalanxes from the State Institutions. In the Phalanx of kidnapping patients it is just—oh, heck, come and see it is Malone at Missoula, Montana. In More Informative

Loggers Will Play Host To Bellingham at Tiger Park

The Logger nine currently riding on a three game winning streak will initiate fully the return of baseball to the CPS campus when they meet Western Washington College in the first home game of the year on Monday, April 28.

On May 3, the Loggers will play host to Claremore in a doubleheader conference game. Any series may determine the eventual winner as both teams are as yet undefeated in conference play.

Holding the Logger aggregation are pitchers Vic Martinez and Frank Osborne. The condition of two regulars is as yet doubtful with Earl Birl, second baseman, and Dick Oatley, centerfielder, reporting on the hospital list. To face Western Washington, Coach Frank Patrick named as his starting lineup: Bue Mitchell, centerfield; Frank Osborne or Vic Martinez pitcher; Roy Loper, first basemen; Earl Birl, second base; Ed Cross, centerfield; Ed Bemis, third base; Harry Greenfield, Bill Oatley, corner field. Out of three matches they played on five separate days they won all. The three meets were with Pacific Bells, 6-1, USC, 4-6, and Willamette 6-4.

Trip drawing, Dr. Thompson has received a recent shipment of unusually the end of the year, which will be handled and later divided among the members of the baseball team. The many that most of the college representatives I talked with expressed a great interest in getting back into track meet. Dr. Thompson will be interested in having a helping hand in the promotion of these activities, and we will be happy to work with him in this, as we are sure we will be.

The rest of the money will be used mainly in getting the grades up. The remainder will be used in giving aid. Although more will be needed for the future, at least a start has been made.
