CPS Students Nationally Honored

Who's Who in American Universities

Who's Who Among Students in American Universities and Colleges has been published annually since 1924. The purpose of this project has been to serve as an outstanding honor in which a deserving student after displaying merit in college would be given recognition. Also to establish a reference volume of authoritative information on the good body of American college students. This is a free service, at the disposal of all business men in the United States and Canada.

The nominations for Who's Who are usually made by a committee under some college executive, president, dean or registrar. The students are chosen conscientiously and impartially. The basis for the choices is a record of student achievement made by a faculty and student committee on a committee, service, leadership, athletic qualities, contributions to extra curricular and scholastic achievement and services to business and societies. Those serving on the committees from CPS are Mrs. Drushell.

400,000 Bus Tokens Sought for Fund

Jars have been placed in the book store and in the school library for the bus tokens being collected by the Tacoma Orthopaedic Association. There are about 400,000 bus tokens now out which are valued at $30,000. With the money from this campaign, the association is to establish a fund for an orthopaedic hospital here in Tacoma.

Student Accounts Mailed

A number of demands statements were mailed last week to the students concerning their college accounts. The Bursar requests all students to check their accounts closely. If any errors are found, they should be reported to the business office immediately.

Garage Scene of SMX Snark

Not wishing to be outdone by the pledges of other fraternity, Sigma Chi's held a successful sneak in Mr. Bulleker's garage last Wednesday. Access to the second floor of the garage was gained through the only means of entrance, a trapdoor in the roof. While waiting with anxious ears for the sound of any members, the pledges and their dates were entertained with skits. Dr. and Mrs. Powell were characters. Pledges and their dates acted the roles of Jack and Martha in your class. The simulation was excellent and quite amusing. The pledges and their dates were entertained with skits.

Successful Sneak Staged by Gammas

Delta Alpha Gamma pledges sneaked Wednesday, November 9, to stink with all pledges present but one. While Gamma members and D.K.'s rushed from seeking Tilden Beach to Brown & Haley Candy Co., elsewhere, the pledges were dancing, playing cards and pool, and enjoying some impromptu entertainment provided by some of the more talented pledges present. The sneek was held in the basement common room of Delta Alpha Gamma. New snap pledges for Lambda Chi Delta Alpha Gamma were initiated on November 5, to welcome their brother. Clayton Anderson, chosen Wednesday, November 5, to pledge, was welcomed by a Gamma member and Jim was presiding over the initiation. Baby Born to Alums

Baby born to alums, who at that time were in the orchid-giving department, had to pay for her. As a child she has been reading in the library for a long time. She was a definite favorite over the other pigs.

Marty Sanger reported Monday that he scheduled the fall tennis tournament for the next day, when he was M.C. at the old Pen Theatre, now the Music Box, was given a royal welcome Sunday night at the Seattle-Tacomia airport and later at the Metropolitan Theater when the Zetes turned out en masse to meet and welcome the new member. Clayton Anderson was N.C.O.I.C. according to Marty.

Second Quarter Interception Leads to CPS Score

Four consecutive points as well as the Western Washington football team took a parting from the Loggers Saturday. Final score of the game was: CPS 6, Western Washington 8. Final tally on the statistical card proved it.

Woodmen had scored their first touchdown at home this season, their first win at home this season's first inter-conference win of the current season over Western Washington since 1948.

On the short end of the first down and rushing and yardage he has had to rely on Guard Dick Carlson for their six points. Carlson gapped half-five yards for the TD with an intercepted Western aerial in the second quarter. During the balance of the struggle both teams played on fairly equal basis. Deadest penetration for the visiting eleven was a belated drive to the two-yard line, while CPS visited the Western seventeen in the dying minutes of the contest.

Earlier this season the Vikings, a member of the Washington Inter-collegiate Conference lost a 6 to 4 decision to the PLC Gladiators in a non-rushed fray.
