Now We're Logging In...

get the air well, mother, have run ahead and found that we really have to wait around here. We've been already doing it. The work is still going on, but nobody seems to be in the press. There have been rumors that we're waiting too long, but I think that it might just be a bit longer. I'm not sure about the reason. It's probably just a misunderstanding.

The weather doesn't look too good, but it's still nice. We're not going far, just a short hike in the woods. It's been a bit rainy lately, so we wanted to do something indoors today.

We're planning to go to a friend's house tonight, and they have a fire going. It's going to be a great night. We're going to roast marshmallows and play some games. We're all excited to spend some quality time together.

Life is good, and we're grateful for everything we have. We're looking forward to the weekend and all the fun activities we have planned. It's going to be a great time!
The following letter was written by Bob Clark, Old Club President.

I would like to know if anyone owning a car that can be easily added to and allow a person to carry a child, willing to consider it for a special occasion or any other reason. Anyone interested should contact the club through the usual channels.

Again, in another message, John Brown, a student at the university, states that some money has been stolen from the dormitory. The investigation is ongoing.

As a matter of fact, the entire floor was affected. We are all very concerned about the situation and would like to offer our assistance to those who have been affected.

Don't forget to try out for the varsity basketball team. Practice starts next week, so be sure to get your registration form on time.

In other news, the soccer team has won its first game of the season. We are all very proud of our team and look forward to their continued success.

Please remember to turn in your completed homework assignments by the due date. This is a requirement for all students.

Thank you for your cooperation and support.

Sincerely,
Bob Clark, Old Club President

To Be Trimmed

Coach Luther "Buster" Shipman has given us his final list of fifty top players to be trimmed by this week.

The former Texas League pitching ace, and Twenty-four year old experience, expressed optimism regarding his young players. "We still have a little work to do, but the boys are showing promise."

The two infielders, Hank Greenwell, and Bill Morgan, will be handled by Lou Marcell, the manager.

Jack Tanneau, and Bill Anheuser, will be handled by Lou Marcell. The two are both experience players and will be depended upon.

Jim Greenwell, Bill Smith, and Bill Mahon are our new players. They are all showing promise.
