A Toast To Pat

The thanks and appreciation of every student at CPS goes to Pat Phanigan for his heartfelt support in promoting the society needed to send our team to the Olympic trials.

After trying every possible source of revenue, and being rejected by all, the Letterman's Club finally called on Pat. CPS was at risk. Pat immediately dug up some $200, which left him not even enough to operate the Grill Tuesday nights.

The Letterman had to go outside the school to obtain the money even after they offered to pay off their debt. The Grill was unable to give it to them as they had undertaken too many responsibilities last year.

The boys collected $60 of the $200 before they had to go. A plane ticket was bought. By Tuesday afternoon the boys had raised the remainder and the pledges, to partially pay back the Letterman.

The Letterman Club raised every cent they had and are now trying to reimburse Pat. There's a box for contributions in the Student Union don't go by it.

All we can say is, thank you, Pat. It's swell to have people like you behind us.

Kennedy Presents Ostransky Music

"Rhapsody for Alto Saxophone and Orchestra" was the title of the program of jazz music that was performed by the CPS music department on Tuesday afternoon.

The Ostransky music was conducted by Charles Z. Neisuk and played by the CPS orchestra under the direction of John O'Connell.

As the applause died down, one member of the audience broke through the balustrade and gave the leader of the band a hearty hand shake.

"The Ostransky music is swell," said one of the music teachers, "and I bet the band will be heard in some of the big cities in the future."

Looking Around the Corner

By Robinson and Boyle

Last Tuesday's baseball game was an event worth watching. For both teams it was the only day they would hit for a while, but did not pull it all together.

Оn Saturday our baseball team was working out. We were wondering why most of our players were not at their usual places. Suddenly, from the left field, we heard a shout of joy.

"Cut that long ball!" was the cry that came from the left field. We ran over to see what was going on.

There was a long, tall, slender fellow with a head full of black hair standing behind the plate. It was Pat, our new baseball player.

We could hardly believe our eyes. Here was a fellow who had never played baseball before. We knew he was a fast runner and could throw a good ball, but we didn't expect him to be good at hitting.

We were surprised, but we were also pleased. This was the day we had been waiting for. We had been practicing hard and we were ready to show our skills.

As we went into the field, we noticed that Pat was standing in the center of the diamond. His face was full of determination.

"Get ready, boys," he said. "This is the day we've been waiting for. We've been working hard and we're ready to show what we can do.

As the game began, we saw that Pat was a natural. He hit the ball hard and we scored two runs in the first inning.

We were高兴ing, but we were also worried. We knew that we had to keep up the pressure.

As the game went on, we saw that Pat was learning. He missed a few balls, but he was hitting a lot of singles and doubles.

The game ended with us winning 10-2. We were happy, but we also realized that we had to keep practicing.

We were happy to have Pat on our team. He was a good player and he was a good team player.

As the game ended, we realized that we had a good team. We were looking forward to the next game.
Now We're Loggin'..
