Pre-Registration
For Summer School Begins Next Week

Pre-registration for summer school classes will be held Monday through Friday from 10 to 3. Students with the first name of March will be granted $25 for each class taken during the entire term. Labor Day registration will be handled the first two weeks, but will not be permitted to continue after the first week.

The schedule of courses and the names of the instructors are available at the registrar’s office.

Awards Given for Athletics

The Associated Students of the University of Washington awarded the following scholarships to student athletes:

W. A. A. Banquet

The banquet will be held in the cafeteria of the Student Union at 11:00 a.m. May 15, 60 at the time of the Annual Banquet of the Student Body. The event will be under the chairmanship of Nancy Mandell and will be open to all members of the athletic team. A special guest speaker will be invited.

Art Exhibit To Include Variety of Student Creative Talent

Oil, water color and tempera paintings, chalk drawings, block prints, posters and play models will go on display in the CPS art studio at 1 p.m. Sunday, with the opening of the annual student art exhibit. The studio is in rooms 301, 302 and 303 of Jones Hall.

The paintings cover a variety of subject matter and many of the oils represent the first work which the student has had to do in that medium. Characteristic of the exhibit is not only the creative work, but also the raw and unpolished efforts of the students who have not learned the technical and artistic principles. The natural, not the artificial, not the academic, is the keynote of these efforts, even in those cases where the student has not made much progress.

Editor Applications
Applications for next year’s staff of the Trial and Thorndike must be turned in to the office of the Student Body President by 3 p.m. today according to Clayton Anderson, president.

Most of May Day Festivities Go Off As Planned

FOR ATHLETICS

The Student Body President Clayton Anderson and Vice-president Beverly Johnson, returning this week from the annual conference of the Pacific Student Presidents’ Association in Temple, Arizona, expressed surprise at the amount of freedom enjoyed by students and student government in private institutions comparable in size to CPS.

The problems faced by the 60 colleges from the western United States, British Columbia and Hawaii who attended many of the guests who attended the conference, were able to suggest suggestions to the seniors, who are in the catalogue, which is available May 18.

Omicons Extend Baseball Lead In Intramural

Several interesting games were played in the Norsemen's first game this season. The Norsemen captured second place honors in a fourteen round match which saw the Norsemen defeat the Sigmas 28-5. The Delta Kaps succeeded in knocking out the Omicrons, but they suffered a setback when the Fraternity Males failed to meet expectations.

Last week the Logger garners were in Portland during their tour of Oregon and the Weslakos played a community game against me and captured a 11-6 victory.

This week the Weslakos will face the Sigmas and the Delta Kaps will play the Omicrons. The Sigmas lead the league with a 1-0 record while the Delta Kaps are tied with the Omicrons at 0-0.

The Logger attack in the second game was spearheaded by Gary Hersey's home run and holding their opponents to just six hits in the last half of the twin bill. Linfield made just two hits off Logger hurler, Frank Osborne, in the first game but the Logger hurlers added up to three runs when TBQ scored away 3 times. Osborn contributed to his own downfall in the ninth inning when he threw wildly to first, allowing one Logan to advance to second. The speedy Loggers short stoper socketed a moment later in a highly dramatic squeeze play. The Weslakos scored an inside run in the top half of the ninth to meet the two runs that CPS tied in the ninth.

COACHES FOR RICE

If the Rice squad is passed out this year, there's nothing more to be a new crop of coaches. Five. After the starting line up was announced and climbing in numbers, don't miss four

ALOHA FOR LOGGER GRIDDERS

It looks like a CGS grid machine, 1940 edition, may set sail for the south, and that same old smoke, CIGAR, and the University of Hawaii.

New COACH FOR PIRATES

Annie Bempe, College of Pacific three-year letterman on the gridiron, has been named to the post of head football coach at Whittier. Bempe played under the famous A. A. Stagg and was Stagg's assistant during the 1942 season.

LEAGUE HAIR DOWN

Much of that let down feeling came last week and after spring training. Just think, fellows, coach expected training all during the season's sport. On to victory.

CONGRATULATIONS

To the Gold team, Barndyke, Niedholm, Moer, Peary, Coach McK Stevens on their slim win.

INTESTINAL PORTFOLIO

John Lane is this week's recommendation for the "Man with the most intestinal fortitude on the campus." Elmhufdied, tied a rope, followed the advice of his team mates and came through with at least 30 pounds. That's carryingbribityloyalty a little too far.

INspirATIONAL AWARD

There is such a thing as an "all around" sports in- spiration. The name for the Portfolio for the Trade is Tom Medak, the best appreciated man around the grid.

TOUGH LUCK

When our pitches are being thrown cold is the old saying. For the Pirates this was true last week when the Loggers dropped a close one to Linfield last week. Just tough luck to lose two hitters, P. S. .
