Debaters Bring Awards Home from Seattle Pacific Tourney

CPS debate team brought in a share of the honors in the crosstown from Thursday day college invitational tournament at Seattle College.

The team of John Reither and Sherwood in sweep the way second place in senior competition and a second place in junior division interpreting reading.

Jan. 30-31 Dates for Rescheduling

Students have arranged for a day off next Thursday, in order to change their registration. The deadline for rescheduling is February 1st, and on that day the spring semester begins. All students who want to change their courses must attend the classes they want to enroll in and have completed the required paperwork before that date.

39 Graduate At Mid-Year

Thirty-nine students have completed the requirements for graduation. This is the largest class to graduate this semester. The ceremony was held on Sunday, January 13th.

MILITARY BALL CO-CHAIRMEN John Lindal and James Driskell pose during planning conference for the Feb. 8 event, sponsored by the Arnold Air Society. Tickets will go on sale Monday.

HOLDING OVER GAYEL. Body President Spencer Stokes (1) poses previously assigned to Vice President John Dominiti. Stokes left Sunday for a two-month tour of England, where he will be part of a two-man debate team representing the United States.

Board Appropriates Monies; Explosive Report Revealed

Central Board, meeting for the first time in 1958 Wednesday evening, set aside $3,500 for tennis court improvement and heard last spring's controversial Student Christian Council report revealed. Following finance committee's recommendation, the board voted to establish a special $2,500 fund for tennis court improvement. The money was accumulated over the past few years by the Women's Athletic Association, which proposed the fund.

Memories of last spring's explosive SCC report approved by Central Board, were reviewed when SCC's non-voting representative, Robert Stierwalt read SCC's action on the report.

Stierwalt said SCC had increased its membership by several new members and a new club representing the Greek system.

Central Board took no action on Stierwalt's report. In other action, the student senate received a letter from the club president of the Interfraternity Council regarding the admission of new members.

Appointment of Dale Winsing as assistant director of the office of alumni and development announced by the board. David Wallin, who was in charge of Admissions during APCSC's elections in March, announced that the university would be closed from Jan. 17—18 for finals week.

Brussels Foreign Trip Awaits Six Washington Collegians

Six young people from the state of Washington will travel to Brussels, Belgium under the sponsorship of the United States government when they start their tour of Europe on the first leg of Brussels World's Fair April 8.

These ambassadors of goodwill will be presented by letters of introduction from the Department of State, Division of Information, to the office of the Bureau of Information, Brussels World's Fair.

The following qualifications must be met for those applying for the trip: two men and two women, all between the ages of 20 and 25, and all must have completed at least two years of college training.

Students at CPS interested in trying for the trip should submit their entries to Dr. Warren Tomlinson, CPS selection committee chairman, by the Feb. 1 deadline. One man and one woman will be selected and will compete with winners from other colleges in the state.

Semester Final Exams Schedule Announced by Dean's Offices

2 CPS Profes Toss Hats in City Race

Two educators at the College of Puget Sound have filed for the race in the city government in the coming Feb. 11 election. Dr. James James and Dr. Charles T. Ball recently filed for candidacy as the names of the member Tacoma City Council.

Business and political experience after serving a five-year term, in Dr. Ball, a national director for the Prudential Life and Business administration. At his followers is also director of the mayor of Tacoma.

Dr. Tabor, the political science department chairman, who ran in City Council election in 1957, is also running.

Prudential has filed for two other candidates, lining up for an election in December. December 29.

Prominent candidates for Feb. 13 election, when the field of 29 will be reduced to 8. The final voting for four conclusion will be made March 27.

appraisal needed...

Coach John Heinrich made public this week a statement expressing his extreme disappointment with CPS students' game attendance.

The Trail wonders what the answer is for luring college athletics attendance. Traditionally insipid appeals to "school spirit" have fallen on deaf ears. Alternatively interesting in -if they are interested in sports at all—are those found distilled in bottles.

appreciation expressed...

The Tacoma Transit System is becoming more and more pressed for a programable work to alter the operation-in-the-red situation which now poses itself. It seems to me that David Britton and Ted Proctor are serving in the presently pressing at the CPS campus. CPS students are paying, both directly at registration time and indirectly through bookstore profits, to support something the majority of them don't seem interested in. Apparently CPS teams are only rather expensive tows about which alumni and friends of the college can rally.

To those responsible for the continuing of this generous service to the students of CPS the Trail extends sincere thanks. The considerations Tacoma Transit has shown for the student body of this college is warmly appreciated.
Loggers Walk Over UBC, Pacific U in Vacation Play

CPS Loggers soundly mauled the University of British Columbia 92-70 in a non-league game Dec. 27 at CPS.

Don Moosid and Tom Names hit for 37 and 24 points, respectively, as they led the Loggers in their fourth victory in six games.

UBC took the lead as Lane Stephens made a jumping one-hander in the first minute of play, but they quickly came back with a 12-2 run and tied the score. The Thunderbirds never again got out in front.

The score at half-time was 41-28 and with less than 10 minutes remaining the Loggers led by 15 points at 65-50.

The Matmen and Whites connected on 19 of 29 field goal trials for a 49.4 shooting percentage, as opposed to British Columbia’s 24 out of 64 for a 37.5 percentage.

The Loggers defeated the Pacific University Bulldogs of the Northwest Conference Thursday, Dec. 26 in a contest played at CPS Dec. 28.

Tom Names hit for 22 points and Don Moosid hit 23 as the Matmen and Whites picked up their fifth victory of the season and second straight game.

Pacific University, which was led at the start of the game at 6-7 Wendell Melbourn with 12 points, field goals. The Loggers quickly caught up and after the score was tied at 40-40, CPS went in the lead.

The score at halftime was 50-44 and with approximately eight minutes gone in the first half of the game, the Arcana were called out by the Coconuts three times, and fell to third in the final standings. The Coconuts’ Jon Majerczyk posted a 335 total and games of 214 and 103. Alex Miller of the Arcana chipped in a 518 and a 192, Steve MacKer had a 304.

Don Oppelt, Dick Swenson, Frank Henry, Kerri Bishop, Don Ward and Bert Menefee, better known as the Short Timers, who scored 85 points, willed the game away with a 516 series and a 220 series.

The Snakes, three to one. Henry. Kerm Bishop, Don Ward and Buck Meecham, better known as the Short Timers, who scored 85 points, willed the game away with a 516 series and a 220 series.

The score at halftime was 4-4-19. The Maroon and Whites continued on 19 of 29 field goal trials for a 49.4 shooting percentage, as opposed to British Columbia’s 24 out of 64 for a 37.5 percentage.

The Loggers defeated the Pacific University Bulldogs of the Northwest Conference 76-64 in a contest played at CPS Dec. 28.

CPS Young De Contends Confab

George Capi arrived back in Tuesday night's CPS Young Demo at the general election in Yakima over the weekend, which gave the local club earlier this year.

Young Demo from all over the state converged on Yakima for the general election. Several resolutions were chosen. Joann McDonough, vice president; Susan Sprenger, recording secretary; and music chairman; Ronnie Horn, corresponding secretary; Shirley Strobel, treasurer; Arlene Ditrich, pledge supervisor, and Katie Howe, social chairman.

After a stormy floor battle the convention passed a resolution warning the federal government "against any ideology or political party." The originally worded resolution was adopted by the American Communist party as it stands.

The campus Young Demo with a membership of about 100 members, has been working to bring the state convention to Yakima.

Vacations will be marked by a resume of campus life with the normal semester turnover of offices are in room 203 of the advisor, or himself for further

BOWLING INSTRUCTION

By JOHN KELLEHER

The beloved editor of the book is quick to note current trends in the world of entertainment. As I saw a letter on his desk from his editor offering free books to college editors, I was struck by the title of the edition. Gann was registrado as a political writer then before the title, "How to Beat the Draft." Or rather, the book, which he mailed in with more care and I have not read it yet. I have all the draft, and the book for the book called the "Wild Sweet Wine.

Like many of the modern poets, I have an occasional book with that ever present problem, sex. In fact, I think of sex in the frame of the title of Don Congdon, states, "The current annual book is quite simple: to present a collection of stories whose subject matter is not confined to any one sex or even to both. Sexual love.

Science Dept. Gets Isotopes

The science department has recently received a generous donation of radioactive cobalt, Dr. Robert Sprenger, announced Wednesday, this is the first time that CPS has had physical chemistry class next semester. He will illustrate the use of using radioactive isotopes in the laboratory and detection of the use of isotopes.

The science department eventually will take a direct route to the bodies of the student from the sources of the particles in the process of desintegration. Gann, Stayder, the first step is to measure the amount of radioactive isotopes found in the particles. This process of detection is not basically new, although it will be used in the physics class for the next semester.

Last week the science department received equipment needed to detect isotopes which will be used in the experiments conducted by the chemical physics professor. The equipment consists of several objects resembling human beings. As deuteron boron-10 and asostere, used by students of physics and biology. After each experiment a small deuteron is made, showing the amount of radiation from the source and the structure of the atom.

About 3-10ths of one roentgen per week is allowed each student. Although there is little danger of a student receiving more than the maximum dosage of radiation, the physicist is useful in helping the student to learn that he is constantly receiving radiation, even though he cannot see or feel it.

NOTED PIANIST IN RECITAL

Pianist, John Cowell, a member of the CPS music department faculty, will present his annual show recital. Friday in the Recital Hall of the Music building at 11:15 a.m.

Cowell is well known in Pacific Northwest music circles. He has composed a number of works on commission and has made four guest appearances with the Pacific Symphony Orchestra this year. Before coming to CPS as music professor, Cowell made his New York debut in a concert on Town Hall.

The idea for the recital program came to Cowell while he was traveling across an old train. He found himself sitting next to a passenger who had accomplished as a child prodigy, and was decided to his junior college, or to the popular recital in his program. A tour through the country, the Boothwyn and Sinatra are featured in this concert. Imprompt, nocturnes, etudes, and shorter works by Delsarte, Schumann, Chopin, Schubert, and Bach will also be played.

Ski Club Revisited; Future Plans Noted

The ski club this year has been organized under the direction of Dr. Robert Springer. Past memberships have included National Intercollegiate Ski Association in its district in the northern states and Canada.

The members of the club have been practicing over the holidays and hope to bowl as the first of the four competitive district meets of the season Jan. 26, 27, and 28 at the Alberta, Canada.

It is decided whether the club will be able to participate in the last of these contests on account of lack of qualified skiers, or withdraw.

GREEN ROW

Greek pledges started Jan. 6 to find their first at the Greek. Swarm of Fraternity and sorority members converged at men's park at Spuds and dance for the new year. Top placing was discovered from the house to join in the action. The swatch was discovered at last Thursday night at the Fraternity council.

Several Phi Beta Phi sisters on this campus were performing their their recent regular meeting. Surrounded with

World Affairs Groups

Plans Jan. 4 Meet

Neil Douglas, a well-known traveler and lecturer, will show photographs and lecture on international affairs recently at the Jan. 24 meeting of the World Affairs Group. Mr. Douglas, who is also an international historian, has been taking pictures around the world. Jan. 24 will be the first time that these pictures have been shown to the public in the course of meetings. To show pictures will not be available before the lecture is over.

Chairman of the Board of the World Affairs Council, will be holding a meeting August 20, 1950. The meeting is scheduled for 8 p.m. in Room 150.

MAGEE BOOK GETS NATIONAL ATTENTION

The book, which was published in November by Harper & Brothers in New York and is priced at $3.95, is the first book written by Dr. Margaret Mead was entitled "Sex Is Not Wrong: A New Method of Teaching."
