FINAL DEBATE CONTEST TODAY, LAST BEFORE TRIP TO LINFIELD

Men's and Women's Teams Meet Strong Idaho Opponents Today; Returns From California Trip Show Victory

Men's and women's debate teams are trying out their organizational skills and public speaking abilities. Their performances will be highlighted by the upcoming competition and will be displayed in the survey to follow the reading practice. The survey will be conducted by the upperclassmen, who will grade the students' speeches and provide feedback.

SURVEY MADE OF READING

To Find What Books Students Read in Free Time

Wednesday, March 19, 1931

Survey of Senior Literature

The survey of senior literature was conducted to determine the reading habits of senior students. The survey included questions about the number of books read, the types of books read, and the frequency of reading. The survey results will be used to identify the most popular books and to determine the reading preferences of senior students.

Students Send Work to New York

U.W.—An exhibit of work done by students of the University of Washington is being sent to New York for consideration as part of the “American Art and Design” exhibition. The exhibits are selected by a committee of the American Institute of Art and will be shown in the Museum of Modern Art. The exhibit contains works in a wide range of media, including paintings, sculptures, and photographs.

The dance was attended by several students and faculty members, who enjoyed the eventful evening and the opportunity to socialize with others who share their interest in Spanish.

C.P.S. Man Appeals to City Paper

In Setting of Unusual Love Affairs

By Marcelle Hirst

Did you ever read a page out of a college love affair? This college has the unusual, non-traditional love affair.

During the course of the evening, the appearance of a lovely blonde in the classroom of a well-known instructor immediately captured the attention of the students. The blonde, who was wearing a stylish ensemble, was accompanied by a handsome companion. The two appeared to be deeply engaged in conversation, which attracted the attention of the students and faculty members.

The incident occurred as the instructor was addressing the class, and the students were captivated by the beautiful couple. The atmosphere was filled with anticipation and excitement, as the students eagerly awaited the next move.

Sona, the blonde, was a member of Sigma Mu Chi, and her companion was a well-known athlete on the university team. The couple was often seen together, and their relationship was the talk of the town. The students were fascinated by the couple's dynamic and passionate chemistry.

College. This is particularly true when considering the three may be quoted as official pronouncements and policies of the Society Editor of Sport.

A newspaper is, in part, an organ in which he may freely publish his thoughts to where he is willing to claim his own brain child, and then that if some student happens to stray too near the auditorium....

In the midst of the present misunderstanding it might he...

We have repeatedly refused to publish anonymous and...

Another musical organization which is rounding into good...

If the world is a stage, most of us play parts in it. It is not so much to entertain others that we are here, but to entertain ourselves. It is not so much to amuse others that we are here, but to amuse ourselves. It is not so much to impress others that we are here, but to impress ourselves. It is not so much to please others that we are here, but to please ourselves. It is not so much to satisfy others that we are here, but to satisfy ourselves. It is not so much to help others that we are here, but to help ourselves.
