MAROON AND WHITE GRIDDERS BATTLING MISSIONARIES IN CONFERENCE TURF

Coach Sandberg to Take Twenty-five Men to Walla Walla for Important Game; Loggers Out to Avenge Last Year's Loss

To snap the Whitman supremacy which has remained unbroken for many years, Coach Roy Sandberg and his fighting band of Loggers will invade Walla Walla next Saturday afternoon for their second conference game of the season. The Missionaries, who won the Northwest Conference title last season and appear to be as strong this year, will have a tough time conquering the Puget Sound gridders as the squad is rapidly developing into championship trimmer.

Although he lost Captain "Buddy" Applegate, one of the best players ever to perform in the northwest circuit, by graduation, Coach Roy Bigler of the Loggers has still enough talent to keep any opposing offense awake nights. The Missionaries opened their conference schedule with an impressive 18 to 4 win over the Walla Walla team, although they have not lost to the powerful University of Idaho and the University of Idaho this season.

One of the outstanding Mission- ary players is Paul "Polly" Anderson, former Shadle High School star who is performing his fourth year at fullback on the squad. Another backfielder who will have to be counted on is "Floc" Gibson, quarterback. He has been a sensation so far, accounting for two touchdowns in the Brown питокиты.

Miss Collins asks that many more women from these classes make their appearances. If those classes are short players, women's football will be a hit and a success. Women's football will be used to finish the elevens. Women's football is a hit this year, with the women from these classes making their appearances.

The tumbling squad is being organized now for the coming year. The women who are interested are invited to join the squad. The women will make the elevens.

"OLE" BRUNSTAD

Another member of the state team, "Ole" Brunstad, who is now at C. P. S. and who is making his second year on the varsity, is Ole Brunstad, better known as "Ole." Brunstad is now playing his third year of football having played one year on the Lincoln inter- mediate and two years on the var- sity.

At Lincoln Brunstad played half back his first two years and in his senior year was shifted to quarterback. While playing in this position he captained the team in three games and at the end of the season was elected captain for the senior year. At the college he is holding down the right halfback position and has four touchdowns and 150 yards and is a fine 110 pounder.

Besides football Oie plays base- ball and takes part in track. In his freshman year he was the baseball team two years and also on the track team for the same amount of time. He is short but quick on his feet. He is a sensation in every position with a good-big goin' football star.

Exciting Game Features Play

Chu Nii and Omicrons Are In- tramural Victors

Intramural indoor baseball got underway last Thursday night when the Chi Nii and Omicrons slammed the Sigma Chi 9 to 3 at noon Tuesday. In the second game the Alpha Chi outslugged Prince Plaza 5 to 4.

The games scheduled to be played this week are the most of the exciting ever played on the campus. The games were played, not only as an effort to make the teams feel good but also as a stunt to attract more interest in the intramural sports.
